

CAREFULLY FOLLOW THE INSTRUCTIONS MENTIONED BELOW FOR SUCCESSFUL SUBMISSION OF CAMERA-READY PAPER FOR IBSSC-2023

1. You have already received the comments by the reviewers through notification email or from EasyChair. Please incorporate reviewers' suggestions while preparing your camera-ready paper for the proceedings. The page limit for the paper is **six** pages and it is to be ensured. The final paper has to be submitted latest by 31st May 2023. **This is a firm deadline.**
2. At least one author of the paper must register under "Presenting Student/Professional Author" registration category and present the selected paper at IBSSC-2023, in order for the paper to be submitted to IEEE for inclusion in IEEE Xplore. Each registration is meant for ONE participant only to attend the Conference. Co-author(s) who are also participating in the Conference, will need to register separately under "Student/Professional Attendees/Additional Author" registration category. Please keep the proof of payment with you as it may be asked to be submitted.
3. Author can present **Only ONE paper per registration** and in case s/he wants to present more than ONE Paper, then s/he has to register for the Second Paper separately under the "Student/Professional Attendees/Additional Author" registration category.
4. Author should submit the e-copyright transfer form and then upload the paper using **EasyChair** platform (<https://easychair.org/>), selecting **author role** for IBSSC-2023. **EasyChair will permit uploading the Camera-Ready paper only after the e-Copyright is process is completed.**
5. Please make sure that the similarity index of your final manuscript is below 20%, using standard plagiarism checking software, before submitting the camera-ready paper from your end in order to confirm the submission of the paper in IEEE Xplore. If the similarity index, excluding references, is more than 20%, then your paper will not be included in the Symposium proceedings.
6. The authors are urged to ensure that the camera-ready submission strictly follows the IEEE Template given at <https://www.ieee.org/conferences/publishing/templates.html>
7. The camera-ready papers that do not meet the above-mentioned requirements will not be submitted for further consideration to IEEE Xplore.

The final manuscript should have the copyright clearance code notice at the bottom of the first page. Kindly refer to the LaTeX/Word template provided here:

<https://www.ieee.org/conferences/publishing/templates.html>

and replace the dummy code at the first page bottom with this code (Please, use the “Copy-Paste” functions instead of Typing)

Copyright details are included below for your reference. If the conference chooses to stamp the papers this will be in addition to the markings provided by the IEEE

Publishing Operations team:
