The 2024 IEEE Bombay Section Signature Conference is organized by IEEE Bombay Section in association with MGM University, Chhatrapati Sambhajinagar. This conference will feature a comprehensive high-quality technical program including paper presentations, talks from eminent Keynote Speakers, tutorials / expert talks by industry veterans and Exhibits during the conference.

The Communication Engineering Track of the IBSSC 2024 Conference will feature keynote talks by leading experts in the field, as well as paper presentations and panel discussions. It will be a great opportunity to learn about the latest trends in communication engineering and to network with other professionals in the field.

We invite submissions of papers on original research in the following areas:

AI/ML techniques Network Softwarization
- AI-powered communication systems
- ML-based resource allocation and management
- AI-enabled security and privacy
- ML-based fault detection and recovery

AI/ML Applications for SDN and NFV
- AI/ML for SDN routing and switching
- AI/ML for NFV service chaining & security
- AI/ML for SDN/NFV optimization & orchestration

Advanced Communication Networks
- Millimeter wave communication networks
- Terahertz communication networks
- Space communication networks
- Underwater communication networks

5G/6G and Beyond
- 5G and beyond wireless networks
- Ultra-reliable low-latency communication (URLLC)
- Massive machine type communication (MMTC)
- Space-air-ground integrated (SAI) networks

All presented papers will be submitted for possible publications in IEEE Xplore, which is indexed with world's leading abstracting and indexing databases subject to meeting Xplore's scope & quality
