

IEEE Bombay Section's SKEP Programme at Nagpur during January 15-16, 2016

Shri Ramdeobaba College of Engineering & Management, Nagpur	Jan 15, 2016	Narendra Bawane	Speech processing and neural networks
Host: Prof. R. R. Khandelwal		Anand Khobragade	Machine learning and satellite image processing
	Jan 16, 2016	B.Satyanarayana	Intro to IEEE & Bombay Section + Trends and Technologies of VLSI devices
		Ashwini Kotrashetti	Smart Cellular Handset Antennas
S B Jain Institute of Technology, Management and Research, Nagpur	Jan 15, 2016	Preeti Bajaj	Innovation and evaluation of research
Host: Prof. Anurag Andhare		Anjali Deshpande	Advances in Control Systems
		Vinit Kotak	Intro to IEEE & Bombay Section + RFID and its applications
		Anjali Deshpande	Writing a technical paper with introduction to scientific word
	Jan 16, 2016	Anthony Lobo	Sustainability: Where does it touch engineering and development
		Anand Gharpure	Testing Requirements in Electronic Products & Automobile Electronics
		B.Satyanarayana	Microelectronics: Challenges and Opportunities
		Gandhar Suryavanshi	Data Sciences and Techniques
Priyadarshini Institute of Engineering & Technology, Nagpur	Jan 15, 2016	Anand Gharpure	Let's build an Embedded project from Scratch
Host: Prof. Gouri Halde		Ashwini Kotrashetti	Microstrip RF Filters: Design to Implementation
		Anand Gharpure	Testing Requirements in Electronic Products & Automobile Electronics
		Ashwini Kotrashetti	Antenna: The vital link of communication world
	Jan 16, 2016	Vinit Kotak	Intro to IEEE & Bombay Section + RFID and its applications
		Narendra Bawane	Speech processing and neural networks
		Anthony Lobo	Technology and its implications - Social and other
		Anand Khobragade	Machine learning and satellite image processing
Yeshwantrao Chavan College of Engineering, Nagpur	Jan 15, 2016	Vinit Kotak	Intro to IEEE & Bombay Section + RFID and its applications
Host: Prof. Prasanna Palsodkar		Anand Gharpure	Let's build an Embedded project from Scratch
		Preeti Bajaj	How to write good technical papers
		Anand Khobragade	Applications of Remote Sensing, GIS & GPS technology
	Jan 16, 2016	Ashwini Kotrashetti	Antenna: The vital link of communication world
		Gandhar Suryavanshi	Data Sciences and Techniques
		Narendra Bawane	Speech processing and neural networks
		Anthony Lobo	Shining the torch: The Engineer's connect with Professional Ethics
Kavikulguru Institute of Technology and Science, Ramtek	Jan 15, 2016	B.Satyanarayana	Intro to IEEE & Bombay Section + Trends and Technologies of Signal Processing
Host: Prof. A.Rajesh		Gandhar Suryavanshi	Data Sciences and Techniques
		B.Satyanarayana	VLSI: Future Directions and Opportunities
		Gandhar Suryavanshi	Engineers as Policy Makers
